CAHSD STRIVES TO BE RESPONSIVE TO ITS CLIENTS & LOCAL COMMUNITIES

The Capital Area Human Services District, CAHSD, commits to the philosophy that all individuals are valuable members of the community. It exists to support each client, to the full extent that resources permit, to live productively in the location and environment of their choosing within appropriate parameters. The services and supports provided by the District are those determined by the client to be important to their success and stability. Our staff work with the client as a unified team to facilitate individuals in attaining their goals.

ABOUT OUR SERVICES

CLINIC TREATMENT TEAMS may include a psychiatrist, psychologist, social worker, board certified substance abuse counselor and nurse based on an individualized treatment plan. The team may be enlarged to include other specialists.

FEES are assessed for each person requesting services based on his/her ability to pay. The sliding fee schedule is based on family income and total number of individuals in the household who are dependent on that income. Medicaid, Medicare, and some private insurance are accepted.

CONFIDENTIALITY is protected by federal and state laws. Employees are prohibited from sharing any information about clients with anyone outside of this agency, except as required by law.

CONSUMER RIGHTS: Services and treatment are provided to Louisiana residents in our region without regard to sex, race, age, sexual orientation, creed, color, religion or nation of origin.

ABOUT CAHSD

Mission Statement

To facilitate person-centered recovery by empowering people with chronic behavioral health and developmental disability challenges to strengthen relationships, establish independence, and enhance their ability to improve their physical health and emotional wellbeing.

Vision Statement

Our network provides local access to best practices that respond to the unique needs of individuals living in the District's communities
