

GREATER BATON ROUGE AREA  
**Referral Resource Guide and  
Primary Care & Behavioral  
Health Services Directory**

2017

Capital Area Human Services' (CAHS) mission is to facilitate person-centered recovery by empowering people of all ages with behavioral health needs and developmental disability challenges to strengthen relationships, establish independence, and enhance their ability to improve their physical health and emotional wellbeing.

This manual was developed in response to requests received from the general public, health and human services professionals and law enforcement officers who frequently struggle to effectively refer members of their community to services for both on-going and emergent health and human services needs. We are pleased at the extensive level of its use and the many testimonials we have received regarding its utility.

At its thirteenth printing, Spring 2017, all numbers and locations listed in this manual were confirmed. We will do our best to continue to provide timely revisions to this document.

## **CAHS MENTAL HEALTH, ADDICTION RECOVERY AND DEVELOPMENTAL DISABILITY SERVICES**

---

### **Capital Area Human Services (CAHS)**

Capital Area Human Services provides an integrated outpatient approach to recovery from mental illness, addictive disorders, or co-occurring disorders, managing behavioral health conditions in a safe and stable environment. All CAHS Outpatient Centers and Satellite Outreach Clinics listed below provide information, referral services, behavioral health and addiction screenings, and based on need, psycho-social and psychiatric evaluations and treatment, individual, group, and family counseling. Medicaid, Medicare, and most major private insurances are accepted. Fees are assessed for uninsured clients requesting services based on his/her ability to pay. The sliding fee schedule is based on family income and total number of individuals in the household who are dependent on that income.

### **Center for Adult Behavioral Health**

*(formerly Baton Rouge Mental Health Center and Center for Addictive Disorders)*

4615 Government St., Bldg. 2, Baton Rouge, LA 70806

**Capital Area Recovery Program (CARP)**

2455 Wooddale Blvd., Baton Rouge, LA 70802

225) 922-3169 • Fax (225) 922-3225

CARP is a nationally-accredited 28-day residential treatment program that includes social detox. CARP offers social detoxification services and comprehensive clinical treatment for substance abuse recovery. Care is available for people with a co-occurring mental health problem. The 40-bed residential addiction recovery program is open to adult males, 18 years and older (not exhibiting acute psychotic symptoms, homicidal, suicidal, or acute medical illness). Clients are admitted only from clinicians, drug courts, hospitals, mental health and substance abuse treatment facilities. Client must not have a court date pending within 30 days of admission. Medicaid, Medicare, and most major private insurances are accepted. Fees are assessed for uninsured clients requesting services based on his/her ability to pay. The sliding fee schedule is based on family income and total number of individuals in the household who are dependent on that income.

*\*Dates and times of clinic hours subject to change*

**SCHOOL BASED PRIMARY CARE**

---

**Health Centers in Schools**

4336 North Blvd., Suite 201, Baton Rouge, LA 70806

(225) 343-9505 / Fax (225) 343-9141

HEALTH CENTERS IN SCHOOLS (HCS) provides school based health services and wellness education to students in grades K-12 in East Baton Rouge (EBR) Parish School System and Recovery District Schools. HCS operates 7 full-service school based health centers and 83 sites with school nurses. Health centers are similar to physicians' offices, where medical doctors and nurse practitioners provide more extensive medical care than school nurses can, and social workers provide behavior counseling and other mental health services. The traditional school nurse program is available in the schools without health centers. One health center is now open during summer and school holidays to serve adolescents ages 11-22, even those not attending EBR schools. Services HCS provides to its young patients with parent/guardian consent are immunization and vaccination record verification, emergency injury and illness care, blood pressure and temperature checks and health education. School-based health centers provide sports/comprehensive physical exams and behavior counseling and can also help parents register children for LaCHIP. Medication administration is available at schools with full-time nurses or health centers, and dental services are available for some elementary students. For questions about HCS, contact Sue Catchings, CEO or Charlotte Odom, VP-Communications at office phone (225) 343-9505 or Fax (225) 343-9141.

## **TRANSPORTATION**

---

### **CATS (Capital Area Transit System)**

2250 Florida Blvd., Baton Rouge, LA 70802-3125  
(225) 389-8282 • CATS On Demand (225) 929-7740

CATS buses travel throughout Baton Rouge. Call (225) 389-8282 to obtain passes for reduced fares. Most CATS buses can carry wheelchairs.

CATS On Demand provides special transportation for persons with special health needs who cannot use regular CATS buses. This must be pre-approved. Contact (225) 929-7740 for prior approval.

### **Iberville Sheriff's Office**

(225) 685-2417

Transports to medical appointments in Baton Rouge.

### **Medicaid Non-Emergency Medical Transportation Program**

Toll-free (855) 325-7626

Provides non-emergency transportation for Medicaid-eligible persons to medical appointments, including hospitals, family planning clinics, or mental health appointments. Services are provided only when a recipient does not have or cannot arrange medical transportation. Medicaid recipients must call at least 2 days before the appointment in order to receive transportation.

### **Pointe Coupee Council on Aging**

(225) 638-4402

Transports to medical appointments in Baton Rouge. Provides on-demand response to the general public, elderly, disabled, Medicaid and Office of Social Services clients. The transit system is a first-come first-served program based on space available. The service is curbside service for Pointe Coupee Parish only. A minimum 24-hour notice is required on all reservations. Reduced fare for senior citizens. Other parishes served are West Baton Rouge, East Baton Rouge, Opelousas, and Iberville.

Capital Area Human Services provides community-based services in the areas of mental health, developmental disabilities, and addiction recovery for the parishes of Ascension, East Baton Rouge, East Feliciana, Iberville, Pointe Coupee, West Baton Rouge, and West Feliciana. It exists to support each client, to the extent resources are available, to live productively in the location and environment of their choosing. These services were formerly provided by state offices within the Louisiana Department of Health.

*For more information contact*

## **Capital Area Human Services**

4615 Government Street  
Baton Rouge, LA 70806
