What is the Baton Rouge Health District?

Our Mission – Joining forces to create a culture of health

Our Vision – A high performing destination for healthcare at the heart of a healthy and vibrant community
The Health District core is located in South Baton Rouge to the south of Lake D'Arbonne and comprised around three large healthcare anchors: Baton Rouge General, Our Lady of the Lake, and Pennington Biomedical Research Center.

**CORE DISTRICT**

- A. Pennington Biomedical Research Center (PBRC)
